

SELECT 'horse_number', 'finish' FROM 'pick' WHERE 'user_id' = 1 AND 'race_event_id' = 1 AND 'race_race_number' = 1

Did horse 201 finish or place, and if so, what is the purse?

SELECT * FROM `horse` WHERE `race_event_id` = 1 and `race_race_number` = 1 and `horse_number` = 201 and ('finish` = 'w' OR `finish` = 'p'

h` = 'p')
